My Experience of Freshers

The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college.

"Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 19th of December was a memorable day in my life at Delhi Metropolitan Education.

The Fresher's Day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The Dress code for the party was "Floral". Seniors arranged many activities for fresher's which include cultural events where everyone got chance to showcase their talent. The Refreshments was served after the program. Welcome Party – Aagaman 2022

AAGMAN, was the event for celebrating the advent of new faces in DME's Management School. The dress code for the party was "Floral". It was the very first event which I have enjoyed with my college friends.

Now, the interesting question is, how the party went?

The party started with welcome speeches for us freshers by our seniors, director Dr. Ravikant Sir and the HOD Dr. Poorva Ranjan Ma'am which gave us the essence of being a part of DME. Then our seniors delivered some marvellous performances with great enthusiasm and we all enjoyed a lot. After this, the competition for titles began, where few of my friends delivered amazing performances and attained significant titles.

As parties are incomplete without dance and food, hence we all captured the dance floor and groove in some moves, later we had lunch and headed home.

Indeed it was a joyful day for me!

My Fresher's Experience

I believe Fresher's party was one of the most awaited event for all the new comers from the time of our admission. As the name of our party - 'अगमन' and the theme 'Floral' suggests new beginnings; the event began with full of new dreams, new hopes, joy and enthusiasm. The 19th of December 2022 was one of the most memorable day in the life of every fresher at DME. It was good to see the amount of efforts our seniors and faculty have incorporated with the beautiful setup and line of programmes.

There was also talent hunt and ramp walks for the titles of freshers, which was an enjoyable experience. It was a day when we interacted with each other and bonded with our seniors to celebrate being a part of DME College. From the tone of welcome, I believe the coming days and years at DME will going to be full of fun, laughter, learnings and adventure.

Aagaman 2022

Finally, with the end of the school year, we've started the new chapters of our lives, walking into the college. Aagaman - Freshers Party was as great as it could've been, from the heartwarming welcome from our seniors to the announcement of the Titles. But it was just not that, it was so much more with all the performances prepared beautifully for us by our seniors and batch mates. Our anchors for the event were so indulging and the performances so good that I didn't even realize when it was 5.

It was such an amazing experience, we laughed and sang along to almost danced in our seats. The decorations were beautiful and the seating arrangements were done nicely to fit our whole batch of BBA of 200+ students.

Towards the end of the event the titles were announced and it was oh so thrilling, because all the performances were very good the winners couldn't have been easily guessed. But at the end it was a well deserved distribution by our teachers and mentors. My class (1B) as well had five title winners:

Mr. Fresher (Shashwat Shukla)
Mr. We'll Dressed (Kush)
Mr. Fashion Icon (Mohak Gulati)
Miss Photogenic (Shirin Tickoo)
Mentors choice (Sarvesh Tyagi)

The only thing that we missed was dancing with our friends at the end together. Nonetheless I'll always have the day close to my heart and will always remember it.
